**INDUS TRADING CO**

# Company

Indus Trading Company is a well known name in the trading of industrial products. It was established in 2000 with a vision to become a leading industrial product supplier Pakistan in industrial products. ITC started off with just a single product and later with time it included more products. It supplies a large range of industrial products to both multinational and national companies and also participates in govt. large scale projects through tenders. ITC is an importer and stockiest of valves, pipes, pipe fittings, flanges, forge fittings, scaffoldings, and many more.

It's head office, show room and warehouse are centrally located at New Challi. It has a large warehousing facility that carries ready stock of high turnover industrial products. The company has a staff of 20 people who are professionally trained to cater clients' all industrial product needs.

# Corporate Values

Our corporate values revolve around 3 R's. They are;

**Reliability:** It is the foremost value for us. Client's project's success depends on our timely delivery of the parts. Any delay from our side can cause huge damages to client. Therefore, for us reliability stands the most important value of all.

**Responsiveness:** It is a two-pronged value. First, our response to client's query is faster than our competitors. Second, it is not related to the size of the project. In fact, we respond even faster to small clients/projects.

**Relationship:** For us client doesn't mean one time transaction but it is a long term mutually beneficial relationship where both the parties reap the benefits of progress

## Clients Appreciations

No claim is as important as client's note of appreciation. Over 15 years ITC has handled a no. of successful projects that have made clients write letter of appreciation for us. We believe in our heart that client's feedback is the true remuneration for our perspiration.

## Certifications

We believe that to keep abreast with the ever changing industrial requirements and industrial innovation happening around the world, remaining connected is ever more important. Therefore, ITC has membership with KCCI and ISO 9001 certified.
